

COLLEGE *of* SOUTHERN MARYLAND

Fall 2017 Student Success Workshops

La Plata Campus CE 105 2:30–3:30p.m.

◆ September 9th: Study Skills

Wide-ranging examination of current study strategies such as note taking, reading for understanding, becoming an active learner, getting organized, and information application.

◆ October 3RD : Note Taking Skills

Learn different note taking methods, to include: Cornell, outline, mind mapping, charting, and sentence. Which one is best for you and your class?

◆ October 17th: Strategies to Improve Reading and Writing Skills

Learn different strategies for mastering the skill of reading and effective writing.

◆ November 2nd: How To Succeed After an “F”, Midterm Makeover

Always been a good student and now you are questioning yourself? It is common for even the strongest of students to receive an F on a test or paper at some point during their college career. Don't be hard on yourself, learn from it and move forward.

◆ November 9th: Should I Withdraw or Should I Stay?

Learn how to use a syllabus and myLearning course gradebook to calculate your current grade in your course which is helpful when deciding when to withdraw or stay in a course.

◆ November 30th: Final Exam Preparation and Studying

Learn test studying and test taking strategies just in time for your final exams. Just in time to tweak your study routine for finals, keep calm and study on.
