*Statement for prospective students:
 The College of Southern Maryland makes several federally required reports and statistics available for prospective students. The annual security report contains college policies regarding a variety of safety and security issues and includes crime statistics for the college. This report is available on the college's Web site (www.csmd.edu/about/security.html). The college also maintains a report addressing participation rates by students in intercollegiate athletics, coaching staffs, and certain expenses associated with intercollegiate athletic teams. Both reports may also be obtained by contacting the Registrar, located in the Administration Building on the La Plata Campus and at 301-934-7552.*
