

# August Newsletter

## Two Year Olds

### Notes from the Teacher:

The summer is coming to a close but we have a lot more fun planned! We're looking forward to a science show on August 1<sup>st</sup>, and the Reptile man is bringing in his reptiles on the 13<sup>th</sup>! We will be continuing water play through August and the 22<sup>nd</sup> will be our last day so we're celebrating with a beach party (water play & sand play).

We are very excited to be getting ready for the school year, and glad to welcome our new friend Hanson to the room.

- Ms. Jackie & Ms. Laura

### Month Long Focuses:

Wrapping up Summer!

**Theme:** Summer Camp!

**Gross Motor:** Digging/Scooping

**Fine Motor:** Cutting

### Reminders:

- Water play days are Tuesday and Friday, bring bathing suit, towel, and change of clothes.
- Please apply sunscreen to your child in the morning before arrival.
- Start talking about the upcoming school year!

### Wrapping up the Summer

To wrap up the summer we are having a beach party for our last Friday water play. We would also like to throw an end of the summer party for afternoon snack. We will post a parent sign up to bring in snacks and juices near the end of August with a reminder of the party.

Also, we want to thank all you parents for all your participation with our classroom activities and celebration. We really appreciate your support and contributions. Thank you!

- Ms. Jackie & Ms. Laura

### Themes:

August 4-8 **Tour the World**  
 August 11-15 **Prehistoric Times**  
 August 18-22 **Fun in the Sun!**  
 August 25-29 **School Starts!**

### Important Dates:

August 25 - First day of school!  
 August 29 - Center closed for staff professional day
