

GENERAL RFP CONTRACT TERMS AND CONDITIONS

ACCEPTANCE PERIOD: Any proposal in response to this solicitation shall be valid for (90) days or as otherwise specified in the RFP document. At the end of the (90) days, the proposal may be withdrawn at the written request of the Contractor. If the proposal is not withdrawn at that time, it remains in effect until an award is made or the solicitation is canceled.

ADDENDA The College reserves the right to amend or add to this RFP at any time prior to the RFP due date. If it becomes necessary to change or add to any part of this RFP, the Procurement Officer will furnish an addendum to all prospective Contractors by posting the addendum on the solicitation web page at: **eMaryland Marketplace**. All addenda will be identified as such and will be posted at least 48 hours prior to the proposal due date. It is the sole responsibility of any prospective Contractor to monitor the web page to ensure receipt of all addenda, which shall be indicated on the acknowledgement of addenda form.

ADDITIONAL ORDERS Unless it is specifically stated to the contrary in the proposal response, the College reserves the option to place additional orders against a contract awarded as a result of this solicitation at the same terms and conditions, if it is mutually agreeable.

APPLICABLE LAW The contract shall be construed and interpreted according to Maryland law, with venue and jurisdiction in Charles County, Maryland.

ARREARAGES By submitting a response to this solicitation, the Contractor hereby represents that it is not in arrears in the payment of any obligation due and owing the State of Maryland, including the payment of taxes and employee benefits and that it shall not become so in arrears during the term of the contract if selected for contract award.

ASSURANCE OF NON-CONVICTION OF BRIBERY The Contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors or partners and none of its employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery or conspiracy to bribe under the laws of any state or the Federal government.

AUDIT Contractor shall permit audit and fiscal and programmatic monitoring of the work performed under any contract issued from this solicitation. The College shall have access to and the right to examine and/or audit any records, books, documents and papers of Contractor and any subcontractor involving transactions related to this agreement during the term of this agreement and for a period of three (3) years after final payment under this agreement.

BID AND PERFORMANCE SECURITY If bid security is required, a bid bond or cashier's check in the amount indicated on the bid cover must accompany each proposal and be made payable to CSM. Corporate or certified checks are not acceptable. Bonds must be in a form satisfactory to the College and underwritten by a company licensed to issue bonds in the State of Maryland. If bid security fails to accompany the proposal, it shall be deemed unresponsive, unless the Director of Procurement deems the failure to be non-substantial. Such bid bonds or checks will be returned, upon request, to all except the three (3) lowest Contractors after the opening of price proposals, and the remaining checks or bid bonds will be returned, upon request, to all but successful Contractor(s) after award of contract. If a performance bond is required, the successful Contractor must submit an acceptable performance bond in the designated amount of the solicitation award, prior to award of contract. All bid bonds will be returned, upon request, to the successful Contractor after receipt of the performance bond.

BILLING AND PAYMENT Each invoice shall reference CSM purchase order number, as well as bid number for this solicitation. All invoices will be paid within (30) days unless otherwise specified in the RFP document or unless any item thereon is questioned, in which event payment will be withheld pending verification of the amount claimed and the validity of the claim.

BRAND NAMES Brand name materials used in these specifications are known and acceptable. Proposals to use alternate brands are invited as long as they are of equal type and equal or better quality. The burden of proof that alternate brands are in fact equal or better falls on the Contractor and proof must be provided to the College's satisfaction.

CARE OF PREMISES Precautions taken for safety and protection shall be in accordance with the mandatory requirements of the safety codes prevailing within the jurisdiction in which the work is to be performed. During the performance of the contract, the Contractor shall take the necessary precautions to protect all areas upon which or adjacent to which work is performed as a part of this contract. Any damage caused as a result of Contractor's neglect, directly or indirectly, shall be repaired to the College's satisfaction at the Contractor's expense.

CANCELLATION CSM reserves the right to cancel this solicitation or to reject all offers received, if the College's Director of Procurement, in accordance with procedures approved by the College's Board of Trustees, determines that it is fiscally advantageous or in the best interest of the College to cancel the RFP.

COMPLIANCE WITH THE IMMIGRATION REFORM AND CONTROL ACT OF 1986 The Contractor warrants that both the Contractor and/or any subcontractor of the Contractor do not and shall not hire, recruit or refer for a fee, for employment under this Agreement or any subcontract, an alien knowing the alien is an unauthorized alien and hire any individual without complying with the requirements of the Immigration Reform and Control Act of 1986 (hereinafter referred to as "IRCA"), including but not limited to any verification and record keeping requirements. The Contractor agrees to indemnify and save the College, its trustees, and/or employees harmless from any loss, costs, damages or other expenses suffered or incurred by the College, its trustees and/or employees by reason of the Contractors or any subcontractor of the Contractors noncompliance with "IRCA." The Contractor agrees to defend the College, its trustees and/or employees in any proceeding, action or suit brought against the College, including but not limited to administrative and judicial proceedings, arising out of or alleging noncompliance of the Contractor with "IRCA". The Contractor recognizes that it is the Contractors responsibility to ensure that all certifications and verifications as required by law are obtained and maintained for the applicable time period.

COMPLIANCE WITH LAWS Contractor agrees to comply, at no additional expense, with all applicable Executive orders, Federal, State, regional and local laws, ordinances, rules and regulations in effect as of the date of this agreement and as they may be amended from time to time, including but not limited to the equal employment opportunity clause set forth in 41 CFR 60-250.4.

CONTINGENT FEES Contractor hereby declares and affirms that neither it nor any of its representatives has employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Contractor, to solicit or secure a contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of a contract as a result of this solicitation.

CONTRACT AMENDMENTS The College, without invalidating the contract documents, may submit a written request to order extra work or to make changes to the agreement by altering, adding to, or deducting from the work, and the contract sum shall reflect such changes. Price adjustments must be accepted, in writing, by CSM before the supplier performs additional work on the project. The Contractor cannot accept purchase requests for products or services that are not covered in this contract or make changes to the scope of work unless a price for those products or services has been negotiated with the College, and the Contractor has received a signed contract amendment from the Procurement Finance Office.

CONTRACT DEADLINES The Contractor is contractually obligated to meet all agreed upon deadlines. Failure of the Contractor to meet any deadline is grounds for termination by default. If the Contractor defaults, the College reserves the right to assess liquidated damages and/or make an open market purchase.

CONTRACTORS This RFP is extended to individuals or firms as primary Contractors, and the Contractor will execute the work specified with bona fide employees. Subcontractors cannot assume the primary award of this contract on behalf of the primary Contractor nor can the awarded Contractor be relieved of its obligation or responsibility to this contract. The College reserves the right to reject any subcontractor.

Proposals already submitted may be withdrawn without penalty prior to proposal opening date. Errors discovered after proposal opening may not be corrected. In the case of an error in price extension, the unit price will govern. The intention of the Contractor must be evident on the face of the proposal.

FAILURE TO DELIVER If the Contractor fails to comply with any established delivery requirements, the College reserves the right to make an open market purchase of required items and to assess, as liquidated damages, the difference between the contract price and the actual cost incurred by the College and to invoice charges to the Contractor.

FINANCIAL DISCLOSURE The Contractor shall comply with the provisions of §13-221 of the State Finance and Procurement Article of the Annotated Code of Maryland, which requires that every business that enters into contracts, leases, or other agreements with the State of Maryland or its agencies during a calendar year under which the business is to receive in the aggregate \$100,000 or more, shall, within 30 days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of State of Maryland certain specified information to include disclosure of beneficial ownership of the business.

INDEMNIFICATION The Contractor shall be responsible for any loss, bodily injury, personal injury, expense, death and any other damage which may occur by reason of Contractor's acts, negligence, willfulness or failure to perform any of its obligations under this agreement. Any acts, negligence, willfulness or failure to perform any of the Contractor's obligations under this agreement, on the part of any agent, director, partner, servant or employee of Contractor are deemed to be the Contractor's acts. Contractor agrees to indemnify and hold harmless the College and its trustees, employees, agents and students from any claim, damage, liability, injury, expense, and loss, including defense costs and attorney's fees, arising directly or indirectly out of Contractor's performance under this agreement. Accordingly, the College shall notify Contractor promptly in writing of any claim or action brought against the College in connection with this agreement. Upon such notification, Contractor shall promptly take over and defend any such claim or action. The College shall have the right and option to be represented in any such claim or action at its own expense. The College will not indemnify the Contractor. This indemnification provision shall survive the termination or completion of this agreement.

INSPECTION OF PREMISES If a site visit is recommended or required, each Contractor is responsible for visiting the site(s) prior to submitting a bid in order to observe the existing conditions affecting the work, and to obtain precise dimensions of the area(s) involved. No allowance will be made to the successful Contractor, at a later date for additional work required because of his or her failure to visit the site and/or to obtain the exact dimensions. Discrepancies, if any, must be reported to the College.

INSURANCE If a contract results from this bid, the Contractor shall maintain such insurance as will indemnify and hold harmless the College from Workmen's Compensation and Public Liability claims for property damage and personal injury, including death, which may arise from the Contractor's operations under this contract, or by anyone directly or indirectly employed by the Contractor.

Minority businesses are defined as firms that are 51% owned and controlled by a member of a socially or economically disadvantaged minority group, which includes African Americans, Hispanics, Native Americans, Alaskan Natives, Asians, Pacific Islanders, women, and the mentally or physically disabled.

NON-ASSIGNMENT AND SUBCONTRACTING Contractor shall not assign any contract or any rights or obligations hereunder without obtaining prior written consent of the College. No contract shall be made by Contractor with any other party for furnishing the services to be performed under a contract issued from this solicitation without the written approval of the College. These provisions will not be taken as requiring the approval of the contract of employment between Contractor and its personnel.

NON-COLLUSION Contractor certifies that it has neither agreed, conspired, connived, or colluded to produce a deceptive show of competition in the compilation of the bid or offer being submitted herewith; Contractor also certifies that it has not in any manner, directly or indirectly, entered into any agreement, participated in any collusion to fix the bid price or price proposal of the Contractor or Contractor herein or any competitor, or otherwise taken any action in restraint of free competitive bidding in connection with the contract for which the bid or offer is submitted.

NON-DISCRIMINATION The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a), above, in any subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

NON-HIRING OF EMPLOYEES No employee of the College or of the State of Maryland, or any department, commission, agency or branch thereof whose duties as employees include matters relating to or affecting the subject matter of this bid shall, during the pendency and term of this contract and while an employee, become or be an employee of the contractor or any entity that is a subcontractor on this contract.

The Contractor further warrants that the cost, if any, of modifying the information technology for compatibility with software and hardware used for nonvisual access will not increase the cost of the information technology by more than 5 percent. For purposes of this condition, the phrase 'equivalent access' means the ability to receive, use, and manipulate information and operate controls necessary to access and use information technology by nonvisual means. Examples of equivalent access include keyboard controls used for input and synthesized speech, Braille, or other audible or tactile means used for output.

Contractor will at his/her own expense, indemnify, protect and save harmless the College, its trustees, employees, agents and students with respect to any claim, action, cost or judgment for patent infringement, arising out of the purchase or use of these goods.

PERFORMANCE ACCEPTANCE PERIOD The selected Contractor(s) must agree to an acceptance trial period of performance not to exceed ninety (90) consecutive calendar days. During the 90-day acceptance period, the Contractor's performance must be consistent with the specifications contained herein and the Contractor's proposal. Failure to satisfy the "acceptance trial period of performance" may result in cancellation of the contract. In the event that the Contractor fails to meet all requirements, the College shall declare the Contractor's services unacceptable and the Contractor in default, and terminate all agreements, written or verbal, without penalty or obligation to the College. Further, should there be any dispute/discrepancy on acceptability of said service, decisions made by the College will prevail and be final.

PREPARATION OF PROPOSAL Proposals submitted must be hand signed by an authorized agent of the company submitting the proposal. Notification of award will be made by "Notice of Intent to Award" and/or purchase order. An Contractor may attach a letter of explanation to the proposal for clarification. Contractors will be required, if requested by CSM, to furnish satisfactory evidence that they are, in fact, bona fide manufacturers of or dealers in the items listed, and have a regularly established place of business. Any shipment failing to meet or comply fully with the specification requirements will be rejected. The cost of testing a representative sample of an order or shipment for acceptance shall be borne by the College unless the order is rejected for failure to meet specifications or purchase description. In such cases of rejection, the cost of testing will be charged back to the Contractor.

PUBLICITY The Contractor shall not in any way or in any form publicize or advertise in any manner the fact that it is providing services to the College without the express written approval of the College's Public Relations & Marketing Office obtained in advance, for each item of advertising or publicity. However, nothing herein shall preclude the Contractor from listing the College on its routine client list for matters of references.

The College reserves the right to waive any informality and to make awards in the best interest of the College. The College also reserves the right to reject the proposal of any Contractor who has previously failed to perform adequately on a prior award for furnishing goods and/or services similar in nature to those requested in this RFP. The College may cancel this solicitation in whole or in part, at its sole discretion.

RIGHT TO STOP WORK If the College determines, either directly or indirectly, that the Contractor's performance is not within the specifications, terms or conditions of this RFP and/or that the quality of the job is unacceptable, the College has the right to stop the work. The stoppage of work shall continue until the default has been corrected and/or corrective steps have been taken to the satisfaction of the College. The College also reserves the right to re-solicit this contract if it is decided that performance is not within the specifications as set out.

SAMPLES AND CATALOG CUTS If samples are required, Contractor shall be responsible for delivery of samples to location indicated. All sample packages shall be marked "Sample for Procurement Office, Bid No. ____" and each sample shall be tagged or marked. Failure of the Contractor to clearly identify samples as indicated may result in rejection of the proposal. If omissions in the specifications are discovered and these omissions will impact the contract price then it is the responsibility of the Contractor to note these omissions, in writing, prior to accepting the award. If these omissions are not noted prior to award then the Contractor's silence is deemed as full and complete acceptance and any additional costs will be borne by the Contractor.

SUBCONTRACTORS Contractors must submit the names and addresses of all subcontractors to be retained for this project. The College reserves the right to reject. Subcontractors shall conform in all respects to the applicable provisions specified for the prime contractor and shall be subject to approval by the College. If a subcontractor is determined to be unacceptable by the College, the firm shall substitute an acceptable subcontractor with no change in any Contract unit prices or overall Contract sum. If a firm fails, within a timely manner, to propose another subcontractor to whom the College has no objection, the College reserves the right to reject the proposal. The firm will use only those subcontractors approved by the College. All subcontractors shall comply with federal and state laws and regulations which are applicable to the services covered by the subcontractor and shall include all terms and conditions set forth herein which apply with equal force to the subcontractor, as if they were the Contractor referred to herein. The Contractor is responsible for the Contract performance, whether or not subcontractors are used.

TAXES The College is exempt from Federal and Maryland taxes. Exemption Certificates are available upon request. Contractor shall be responsible for the payment of any and all applicable taxes resulting from any award and/or any activities hereunder, including but not limited to any applicable amusement and/or sales taxes. TERMINATION BASED ON LACK OF FUNDING Any contract awarded as a result of this solicitation will be subject to funding and continued appropriation of sufficient funds for the contract. For purposes of this solicitation, the College's appropriating authority is deemed to be the Board of Trustees of CSM. Insufficient funds shall be grounds for immediate termination of the contract.

TERMINATION OF CONTRACT The College reserves the right to cancel the Contract awarded to the Contractor if, in the College's judgment, performance under the Contract is unsatisfactory. It is understood, however, that if at any time during the term of the Contract, performance there under is deemed to be unsatisfactory, the College shall so notify the Contractor in writing, and the Contractor shall correct such unsatisfactory conditions within fifteen (15) calendar days from the receipt of such notification. If such corrections are not made within the specified period, the College may terminate the Contract at that time.

TERMINATION FOR DEFAULT If an award results from this RFP, and the Contractor has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of the College. Failure on the part of the contractor to fulfill contractual obligations shall be considered just cause for termination of the contract and the Contractor is not entitled to recover any costs incurred by the Contractor up to the date of termination.

TERMINATION FOR THE CONVENIENCE OF THE COLLEGE The performance of the work or services under a contract as a result of this solicitation may be terminated in whole or in part, whenever the President of CSM shall deem that termination is in the best interest of the College. Such determination shall be at the sole discretion of the President or her designee. In such event, the College shall be liable only for payment in accordance with the payment provisions of the contract for work or services performed or furnished prior to the effective date of termination. The Contractor shall not be reimbursed for anticipatory profits. Purchase requests and funding from other agencies will be the responsibility of those agencies.

WARRANTY Contractor expressly warrants that all articles, material and work offered shall conform to each and every specification, drawing, sample or other description which is furnished to or adopted by the College and that they will be fit and sufficient for the purpose intended, merchantable, of good material and workmanship, and free from defect. Such warranty shall survive a contract and shall not be deemed waived either by the College's acceptance of said materials or goods, in whole or in part, or by payment for them, in whole or in part. The Contractor further warrants all articles, material and work performed for a period of one year, unless otherwise stated, from date of acceptance of the items delivered and installed, or work completed. All repairs, replacements or adjustments during the warranty period shall be at Contractors sole expense.

WITHDRAWAL OF BIDS A proposal shall be withdrawn by written or fax request, confirmed immediately in writing, provided that such requests are received prior to the time of opening proposals. The College shall not be held responsible for the timely receipt of any requests for withdrawal, and the Contractor is cautioned to transmit any such request in ample time for delivery before the proposal opening hour and date. No proposal received can be withdrawn by any Contractor after the opening, as no claim for release due to mistakes or omissions in the proposal shall be considered. Each Contractor shall be held strictly responsible for its proposal.
