

Program to Program
Articulation Agreement
between
College of Southern Maryland
and
Salisbury University

I. PURPOSE

College of Southern Maryland (CSM) and Salisbury University (Salisbury) enter into this Articulation Agreement (Agreement) so that students enrolled in the A.A. in Arts and Sciences: Social Sciences will have a clear understanding of how their credits will transfer to Salisbury in the undergraduate social work program.

This Agreement facilitates the transfer of prospective graduates and graduates of CSM to Salisbury and provides valuable advising tools for the student's first two years of study at the community college. Students need to receive their Associate degree prior to enrolling at Salisbury to be eligible for consideration under this agreement. The Articulation Agreement outlines the transfer of courses applicable to the social work program.

II. PROVISIONS

1. This program articulation agreement applies to the College of Southern Maryland's Associate of Arts and Sciences Degree: Social Science and Salisbury University's Baccalaureate of Arts Degree Program in Social Work.
2. The institutions agree to follow the joint program curriculum and course by course articulation delineated in this document.
3. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
4. Graduates of the College of Southern Maryland program who have completed the associate of Arts and Sciences degree in Social Science with a cumulative grade point average of 2.0 or higher will automatically be granted admission to Salisbury University as a social work major. However, in compliance with the Council on Social Work Education's accreditation requirements, a student's admission to the social work professional program is a separate process which occurs during the fall of the student's junior year and requires a 2.5 overall grade point average and a 2.7 grade point average in social work. **Only matriculated Salisbury University students in good academic standing can be considered for program acceptance.** Specific information regarding requirements for the program can be found in the

Social Work Undergraduate Student Handbook which will be made available to CSM advisors.

5. All articulated course credits earned with a C or better will be accepted for transfer according to the program matrix.
6. Students intending to transfer should complete the admissions application for Salisbury University following the third semester of their associate degree program.
7. Students are subject to all the policies and procedures of both institutions.
8. Students are subject to all specific policies pertaining to students admitted to the Baccalaureate of Arts Degree Program in Social Work.
9. This articulation agreement is based on the present curricula contained in this document and it is effective for a five-year period from 2012 to 2017.
10. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. Salisbury University will honor the articulation agreement for students transferring to Salisbury University by Fall, 2017.
