

**COLLEGE OF SOUTHERN MARYLAND AND
BOWIE STATE UNIVERSITY
GUARANTEED ADMISSION AGREEMENT**

PREFACE

Bowie State University (BSU) welcomes students from College of Southern Maryland (CSM) into our community of learners. The Guaranteed Admission Transfer Agreement is designed to facilitate CSM students' ease of transfer to BSU. This Agreement supersedes any other general admissions agreement signed between CSM and BSU.

Under this Agreement, CSM students graduating with any CSM Associate in Arts (A.A.), Associate in Science (A.S.), Associates of Arts in Teaching (A.A.T), Associates of Science in Engineering (A.S.E.) or Associate of Applied Science (A.A.S.) degree program will be eligible for the Guaranteed Admissions program.

Students must:

1. Submit the BSU Application for Admission at least six months prior to the start of the semester he/she wishes to transfer to Bowie State University.
2. Satisfy all other BSU admissions requirements, which are available on the College website at www.bowiestate.edu or by contacting an admissions counselor at Bowie State University.
3. Graduate from CSM with a minimum cumulative grade-point average (GPA) of 2.0.
4. Recognize that grades of "D" or better will transfer. However, courses with a "D" grade may or may not count towards a major.
5. Understand that there is no residential living requirement for incoming students, though transfer students may request on-campus housing if they wish.
6. Understand that BSU will accept up to 65 transferable credits.
7. Understand that students with at least 60 transferable credits will enter with junior status.
8. Understand that if they were previously enrolled at BSU, they are not eligible for this agreement.
9. Submit CSM transcripts along with transcripts from any other colleges they may have attended prior to attending CSM.
10. Understand that for some professional programs, there is a secondary admissions process, and that admission to BSU does not guarantee admissions to a specific program.

To benefit from the Guaranteed Admissions program, students must enroll in BSU within one year of graduating from CSM without attending another institution of higher education.

BSU welcomes International Students to apply to the College. Additional admission materials will include the Test of English as a Foreign Language (TOEFL) and AACRAO, WES or ECE transcript evaluations if applicable. Please check the College website at www.bowiestate.edu for details.

The Guaranteed Admission program is also available for part-time students.

QUALIFICATIONS FOR THIS AGREEMENT

Students interested in the Guaranteed Admission program are encouraged to consult with a Transfer Coordinator at CSM and the Transfer Coordinator at BSU to assist in choosing courses which will meet the requirements in the declared major. Transcripts will be evaluated on a preliminary basis by a representative from the BSU Admissions Office prior to application upon request.

OBLIGATIONS OF BOWIE STATE UNIVERSITY

1. To attend regularly scheduled "transfer" programs at CSM.
2. To invite CSM students to information/advising meetings with BSU faculty and staff on a regular basis at both CSM and BSU in order to facilitate smooth curricular and co-curricular integration to Bowie State University.
3. Those students entering full-time study at BSU are eligible to be awarded academic scholarships and/or grants as any other student entering the College within the same semester.

Scholarships are renewable on an annual basis and students must meet with a Financial Aid advisor from BSU for additional information. BSU offers a variety of scholarships and grant awards. These opportunities include merit-based and need-based aid and grants. Sources of these awards include BSU, private donors, as well as federal and state programs.

4. To ensure that incoming students will be provided with BSU financial aid information and receive full consideration for BSU financial aid, in addition to appropriate scholarships and grants listed above, upon matriculation at Bowie State University.
5. To ensure that CSM graduates entering BSU under the terms of this Agreement go through BSU's normal transfer admissions process, including meeting all applicable BSU requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof that apply to all BSU students. Incoming matriculated students will have all the rights and privileges of other BSU students.
6. To continue working with CSM on program-to-program curriculum articulation agreements that specify for CSM transfer students the CSM courses that satisfy major requirements required for degree completion at BSU.

OBLIGATION OF THE COLLEGE OF SOUTHERN MARYLAND

1. CSM agrees to publicize this agreement to prospective and current CSM students in its promotional literature, and make arrangements for BSU recruiters and advisors to visit CSM.
2. Provide BSU with a list of CSM graduates.

JOINT OBLIGATIONS

1. To consult with each other through appropriate channels prior to implementing major changes in policy or curricula that directly affect students transferring under the terms of this Agreement, and keep each other informed of any changes of policy or curricula that affect those students. Both BSU and CSM will review this Agreement on a regular basis and make any changes upon mutual agreement, as needed. Such changes will be effective when both CSM and BSU sign the revised document.
2. Students are required to graduate from CSM with a minimum GPA of a 2.0. Courses with grades of "D" or better will be brought into BSU as transfer credits. However, many majors require a minimum grade of C or above for courses that fulfill major requirements.

BSU will make available contact information for questions about Bowie State University's academic requirements, Core Curriculum requirements, degree requirements, and the process of transferring to BSU.
4. To jointly agree to develop and implement advertising and promotional efforts to communicate the benefits of Guaranteed Admission transfer.
5. To exchange data and documents on a regular basis that will contribute to the maintenance and improvement of the arrangement, enhance the transfer process, and promote effective cooperation between institutions. These will consist of data about individual transfer students, including admissions information and grades, and reports on the results of program reviews, assessments of students' learning, and decisions of curricula and other committees.
6. This Agreement may be updated (by means of addenda), upon mutual agreement by appropriate officials of the two institutions, to allow for additional curriculum articulation sheets accommodating course equivalencies for specific major(s)/minor(s)/certificate program(s). This Agreement sets forth the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior understandings, memos, writings or agreements of the parties with respect to the subject matter hereof. Any waiver by a party of any of its rights or of the other party's obligations must be in writing.
7. To provide, when available, direct links between the BSU and CSM websites when applicable.

REVISIONS, RENEWAL AND TERMINATION OF THIS AGREEMENT

The BSU Vice President for Academic Affairs and the appropriate officers at CSM are responsible for identifying and communicating to each other changes in the policies or requirements of their respective institutions that affect this Agreement.

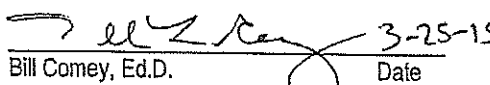

This Agreement will be in effect, as of the date of its signing, for students entering BSU spring semester 2015 or after. It will be reviewed on a regular basis by the appropriate parties at each institution and will be renewed automatically until superseded by new Agreements or formally terminated. Either institution may terminate this Agreement at any time by written notice at least one year in advance of the effect date of termination. ARTICULATION AGREEMENT

College of Southern Maryland, Associate of Arts in General Studies: Criminal Justice and the Associate of Applied Science in Criminal Justice and Bowie State University, Bachelor of Arts and Bachelor of Science in Criminal Justice

College of Southern Maryland (hereafter referred to as CSM, a multi-campus community college in Charles, Calvert and St. Mary's Counties, Maryland) and Bowie State University (hereafter referred to as BSU, a public four-year state university in Prince George's County, Maryland) and a constituent institution of the University System of Maryland agree to offer an articulated program leading to the award of an Associate of Arts (A.A) in General Studies: Criminal Justice and the Associate of Applied Sciences (A.A.S) in Criminal Justice and a Bachelor of Arts and Bachelor of Science in Criminal Justice. They further agree that students from CSM, through this articulation policy, will be allowed to transfer credits earned from the A.A/A.A.S degree to BSU leading to the award of the B.A/B.S degree. The following general principles guide the operation of this Agreement:

1. The program is designed for graduates of the A.A/A.A.S degree in criminal justice at CSM. A maximum of 65 credit hours from CSM will be allowed toward fulfillment of the 120 credit hours required for baccalaureate completion.
2. All courses meeting general education requirements at CSM will transfer to BSU as general education.
3. Students must maintain a 2.0 cumulative grade point average in order to transfer.
4. The maximum number of credits that will be accepted by BSU toward degree requirements from non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores) is 30.
5. Once the A.A/A.A.S is completed and the student has been admitted to BSU, the student may commence the criminal justice name of major by completing a "Declaration of Major" form and registering for courses.
6. While CSM and BSU do not presently have a dual enrollment program should one be agreed to, this agreement will not preclude students from participation and students may apply for and receive the benefits of dual enrollment. Those students would then be subject to the policies of said program should they apply.

7. CSM students who have completed the A.A./A.A.S degree in criminal justice will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at BSU.
8. This agreement becomes effective on the date set forth on the first page of this document. CSM and BSU agree to publicize this program. They further agree to monitor the performance of this agreement and to revise it as necessary. The agreement may be terminated by either party for due cause and after adequate notice to the other. Termination of the agreement will not affect any students currently enrolled at CSM in the criminal justice at the time of termination, and they shall be able to transfer credits pursuant to this agreement.
9. BSU will establish a mechanism to provide information on the academic progress of the CSM student enrolled as a result of this agreement.

PURPOSE OF AGREEMENT

This agreement is entered into to serve the instructional needs of CSM students and graduates. The general purpose of this agreement is to make clear the terms of this articulation agreement.

There are three specific goals under this agreement. First, it is the intent that this articulation agreement will facilitate a smooth transition from CSM's criminal justice program to the B.A./B.S criminal justice program at BSU as efficiently as possible. CSM graduates will understand how BSU transfers the credits they earn at CSM, as well as the changes in requirements that may permit more flexible scheduling once the student has been admitted to and enrolled at BSU. This agreement provides a systematic plan for students to continue their higher education beyond the A.A./A.A.S degree from CSM.

Second, this agreement is a publication of a clear set of understandings and expectations for both institutions and programs. Making our expectations clear to students and between institutions not only contributes to the first goal, but also allows institutions to work collaboratively to meet the needs of CSM graduates. Like any policy agreement, this articulation agreement will need to be updated, revised and refined as instructional programs are revised.

Third, CSM encourages graduates to continue their educational pathway in criminal justice for both personal and professional development, as well as career advancement the criminal justice profession. This articulation agreement facilitates students' successful achievement of credentials in the field.

The following sections describe the specifics of the agreement.

A.A./A.A.S in Criminal Justice-B.A./B.S. in Criminal Justice Transfer Agreements

The A.A./A.A.S criminal justice degree at CSM is considered a career/transfer program. Therefore, criminal justice students who transfer to Bowie State University will have their coursework evaluated on a course-by-course basis to determine which of BSU's general education requirements and discipline requirements have been met. By taking full advantage of the CSM-BSU course agreements outlined below, the transfer student will matriculate at junior standing. Further, this agreement allows the student who has obtained an A.A./A.A.S Degree in criminal justice from CSM and who has enrolled in the criminal justice program at BSU to apply up to 65 transfer credits to required components of the major.

The following indicates the course-to- course equivalency, including general education, as agreed within the articulation agreement.
