Excellence and Innovation in Online Higher Education

Capella is an accredited online university dedicated to providing an exceptional, professionally-aligned education that puts you in the best position to succeed in your field. Our challenging curriculum is competency-based, combining foundational theory with real-world application, to ensure our students receive a high-quality education.

As a Capella student, you will experience unparalleled support as you join a vibrant community of professionals, and work with a faculty of experienced and engaging instructors through our online campus and courserooms. Our classes and programs are designed to meet standards established by professional associations and accrediting bodies — so you gain skills and knowledge that are immediately applicable to your career goals.

Program Articulations:

Admissions Website
