The College of Southern Maryland (CSM) is a public community college delivering quality higher education programs and services. The college is committed to offering a wide variety of associate's degrees, bachelor's degree opportunities with partnering universities, as well as an array of student services, and high-quality workforce development training and support.

CSM is a leader among Maryland community colleges and in 2009 won the Silver Maryland Performance Excellence award. CSM is a multi-year recipient of the Workplace Excellence Award.

CSM strives to create a global education program, yet remains a local college supporting our community's academic, professional, and self-enrichment pursuits.
