Guide to Veterans Educational Benefits

College of Southern Maryland
8730 Mitchell Rd.
P O Box 910
La Plata, MD 20646-0910
**Purpose** – The purpose of this guide is to provide information about applying for Veterans Benefits at the College of Southern Maryland. We recommend that you review this information to ensure that your claim for Veterans Benefits is processed correctly. **CSM DOES NOT DEFER PAYMENT OF TUITION AND FEES FOR ANY VA CHAPTERS UNLESS SPECIFICALLY NOTED AND ALL OF THE REQUIRED PAPERWORK HAS BEEN SUBMITTED TO OUR OFFICE.** Students should be prepared to pay for their registration, unless they enroll in the FACTS Tuition Payment Plan, which is an installment payment arrangement.

**Tuition assistance** – Veterans may not receive VA benefits for pursuit of the same courses for which employee tuition assistance is received from the federal government. If you plan to use VA benefits and tuition assistance, notify the Registrar’s office, and submit tuition assistance paperwork to the Bursar’s office.

____
Complete CSM Veterans Educational Benefits Request form.  This MUST be completed each semester.  (Registrar’s Office, download/online form from www.csmd.edu/current/Veterans/)

____
Notify Registrar’s Office or the CSM Veterans Affairs Team of schedule changes/program changes via email at veteransbenefits@csmd.edu.
Credit Evaluation – REQUIRED
Credit evaluation must be completed within your first two semesters of enrollment. Official academic transcripts from prior institutions and military training must be submitted to the Admission’s Office for evaluation. (Please see last page for military transcript information.)

Applying for VA Benefits
All veterans requesting education benefits must complete the CSM Veteran’s Education Benefits Request form EACH SEMESTER for which benefits are requested. Veterans who have not previously applied for benefits must contact the Registrar’s Office to obtain the required applications. Veterans who have previously used benefits at another institution are required to complete a “Request for Change of Program/Place of Training” form (Form 22-1995 or 22-5495 (if CH. 35)).

Advance Payment
Advance Payment of educational assistance allowance is intended to help students meet school-related and other expenses which are concentrated at the beginning of a term. This is only available for veterans under Chapter 30, Chapter 35 and Chapter 1606. Students must be enrolled at a half-time rate or more to be eligible. Students would be paid in advance for the first initial month or fraction thereof in which the term will begin plus the amount payable for the following month. Students should be aware that if they receive advance payments, for example, in September, they will not receive their November benefit checks until December 1. Application for advance payment for the upcoming semester must be received at least 30 days before the beginning of the semester, but no more than 120 days before. Veterans expecting advance payment must realize that CSM cannot assume responsibility for checks not received in time to register for classes. **CSM DOES NOT DEFER PAYMENT OF TUITION AND FEES UNLESS SPECIFICALLY NOTED.** Students should be prepared to pay for their registration, unless they enroll in the FACTS Tuition Payment Plan, which is an installment payment arrangement. Advance payment must be requested in writing by completing the advance payment request statement on the Veterans Education Benefits Request form.
**Students receiving advance payment checks must personally come to the La Plata Campus to sign for and to pick up their checks.**

Note: If an advance payment request was submitted, and the check is not received by the educational institution within the first ten class days, it is probable that payment will be made on the regular pay cycle basis instead. Inquiry should be made to the VA Regional Office to ensure there are no other problems needing resolution on the student’s case.

Making Changes
Any changes you make may affect your eligibility for VA Benefits. It is imperative that you inform CSM’s Registrar Office or the VA Advisor of any changes you make. These changes include changing program of study, adding/dropping, withdrawing, auditing or repeating a course. If you change your program of study, you must submit either VA form 22-1995 (Chapters 30, 1606 and 1607) or VA form 22-5495 (Chapter 35). Benefits will not be processed until this form is on file.

Chapter 31 Benefits
Veterans receiving Chapter 31 Vocational Rehabilitation benefits should confirm that an Authorization and Certification of Entrance or Reentrance into Rehabilitation and Certification of Status (Form 28-1905) is on file with the Registrar’s Office prior to bill due date. If a 1905 is not on file, Ch. 31 students will be dropped from their classes for non-payment. If this happens, please contact your VA Case Manager and ask him/her to submit a current 1905. We can only certify enrollments for which approval has been given by the VA.

Benefits Payments & Verification of Enrollment
Students not participating in Advance Payment will receive their monthly benefits (including the first payment for each enrollment or re-enrollment) on or after the first of the month for which payment is due. Almost everyone receiving MGIB-Active Duty (Ch. 30) benefits, as well as those in the Selected Reserve (Ch. 1606), must verify their enrollment each month to receive payment for that month. Your enrollment can be verified on the last calendar day of the month by using the VA’s Web Automated Verification of Enrollment (WAVE) at https://www.gibill.va.gov/wave or by calling our toll free Interactive Voice Response (IVR) telephone line at 1-877-823-2378.

***Direct Deposit for 1606 Benefits***
Recipients of 1606 benefits can sign up for direct deposit by phone or by mail. To sign up by phone, call toll-free 1-877-838-2778. To sign up by mail, write to VA Regional Office, 125 S. Mail St., Suite B, Muskogee, OK 74401-7004. In addition to a name and social security number, VA needs the following information to initiate direct deposit payments:
  * 9-digit routing number of the financial institution
  * Account number
  * Type of account (checking or savings)
Truck Driver Training Courses
