

## **BAD 1910 or 2910 – Business Administration Cooperative Education**

### **Student Pre-Registration Checklist**

- I have visited the cooperative education website [www.csmd.edu/cooperative](http://www.csmd.edu/cooperative) and completed the co-op intake form available on that link.
- I currently have a grade point average of 2.0 or higher
- I meet (or am in the process of completing) the co-op course prerequisites, which are:  
BAD 1910: ENG 1010, ECN 1015, plus 9 additional credits toward degree or certificate  
BAD 2910: BAD 1210 or 2610 or 2700 plus ENG 1010 plus 18 additional credits
- If I am not currently working or volunteering in a business environment, I have made an appointment with an advisor at my campus to review my resume and start the search for a job or volunteer activity. During my search process I will keep in contact with the advisor to update him/her on my progress. The advisor will assist me in the search but I am responsible for locating a work/volunteer site.
- Once I have identified an experience in a business environment, I will contact the advisor and submit information needed for the instructor's review. The advisor will forward the information to the instructor, who will contact me with any questions or approve me for the course.
- I will keep in touch weekly with the advisor for a status update on my request. Once the advisor has received approval from the instructor, she will assist me with registration for the course.
- I have received a letter from the Advising office notifying me of the contact information for the instructor as well as a liability release form that I will review, sign and return via email or fax.
- When the semester begins I will start the course per the directions stated in the letter. If I have any questions about the course, once I have registered, I will contact the course instructor.
