

CJS 2910 or 2920 – Criminal Justice Cooperative Education

Student Pre-Registration Checklist

- I have visited the cooperative education website www.csmd.edu/cooperative/ and completed the co-op intake form available on that link.

- I currently have a grade point average of 2.0 or higher

- I meet (or am in the process of completing) the co-op course prerequisites, which are:
CJS 2910: ENG 1010, CJS 2010, CJS 2030 plus 12 credits toward degree or certificate
CJS 2920: CJS 2910

- If I am not currently working or volunteering in the area of criminal justice, I will meet with an advisor at my campus to review my resume and start the search for a job or volunteer activity. I will also consult with CJS program coordinator, who have contacts in this field. During my search process I will maintain contact with the advisor to update him/her on my progress. The advisor will assist me in the search but I am responsible for locating a work/volunteer site.

- Once I have identified an experience involving criminal justice duties, I will contact the advisor and submit information about this opportunity for the instructor's review. The advisor will forward the information to the instructor, who will contact me with any questions or approve me for the course.

- I will keep in touch weekly with the advisor for a status update on my request. Once the advisor has received approval from the instructor, she will assist me with registration for the course.

- I have received a letter from the Advising office notifying me of the contact information for the instructor as well as a liability release form that I will review, sign and return via email or fax.

- When the semester begins, I will start the course per the directions stated in the letter. If I have any questions about the course, once I have registered, I will contact the course instructor
