# College of Southern Maryland Annual Graduate Transfer Report

## Executive Summary

Each year, the Planning, Institutional Effectiveness, and Research Department (PIER) prepares a report of transfer information of those students who received one or more Associate's degrees and/or certificates in a fiscal year and transferred to another institution within the next academic year.

This report examines the cohort of CSM students who received one or more Associate's degrees and/or certificates in FY2016 and transferred to another institution between August 2015 and May 2017. The report includes a summary of the transfer information, transfers by state and institution, transfers by CSM program of study, and rankings of transfer institutions.

### Highlights of the Report

- Of the 1,332 students in the cohort (received one or more Associate's degrees or certificates in FY2016), 48.6% (647) had transferred to another institution by May 2017.
