# **College of Southern Maryland Annual Transfer Report**

## **Executive Summary**

Each year, the Planning, Institutional Effectiveness, and Research Department (PIER) prepares a report of transfer information of students who were enrolled at the College of Southern Maryland (CSM) during an academic year and transferred to another institution during the next academic year.

This report examines the cohort of CSM students who: 1) were enrolled on the census date of the Fall 2015, Spring 2016, and/or Summer 2016 terms; 2) had 12 or more cumulative credits earned by the end of the Summer 2016 term; and 3) transferred to another institution within the subsequent academic year. The report includes a summary of the transfer information, transfers by state and institution, transfers by CSM program of study, and rankings of transfer institutions.

### **Highlights of the Report**

- Of the 7,501 students in the cohort (enrolled in academic year 2016 with 12 or more cumulative credits earned by the end of the summer 2016 term), 24.9% (1,869) transferred to another institution within the subsequent academic year.
- When examining the students by the type of institution to which they transferred, 22.4% (1,682) transferred to four-year institutions, and 2.5% (187) transferred to two-year institutions.
- The 1,869 students who transferred went to 305 different institutions in 46 states, the District of Columbia, and Puerto Rico. Of those,
  - 1,682 students transferred to 239 different four-year institutions in 44 states, the District of Columbia, and Puerto Rico; and
  - 187 students transferred to 66 different two-year institutions in 26 states.
