^aTotal headcount will not equal sum of individual campus headcount, as some students are registered at more than one campus.

^bDue to rounding after decimals, the sum of individual campus FTE may not match exactly with the total FTE numbers. Count taken on May 26, 2020.

^c"In-County" and "Out-of-County" FTEs are computed using residency status of students. The residents of Calvert, Charles, and St. Mary's counties are considered "In-County" students.

^b Total headcount will not equal sum of individual campus headcount, as some students are registered at more than one campus.

^c Due to rounding after decimals the sum of individual campus may not match exactly with the total FTE numbers. Count taken on May 26, 2020.

^d "In-County" and "Out-of-County" FTEs are computed using residency status of students. The residents of Calvert, Charles, and St. Mary's counties are considered "In-County" students.

^e Based on the STU.RESIDENCY.STATUS (billing residence) in Colleague.

^f Any courses that do not have start/end times such as dual enrolled sections, departmental exams, co-ops, practica, etc.

^bTotal headcount will not equal sum of individual campus headcount, as some students are registered at more than one campus.

^cDue to rounding after decimals the sum of individual campus may not match exactly with the total FTE numbers. Count taken on May 26, 2020.

^d"In-County" and "Out-of-County" FTEs are computed using residency status of students. The residents of Calvert, Charles, and St. Mary's counties are considered "In-County" students.

^eBased on the STU.RESIDENCY.STATUS (billing residence) in Colleague.

^fAny courses that do not have start/end times such as dual enrolled sections, departmental exams, co-ops, practica, etc.
