CSM college of southern maryland

CAPELLA UNIVERSITY

This Articulation Agreement ("Agreement") is entered into on June 21, 2013 by and between College of Southern Maryland[1], located at 8730 Mitchell Road, La Plata, MD 20646-0910, hereinafter College of Southern Maryland, and by Capella University[2], located at 225 So. 6th Street, 9th floor, Minneapolis, MN 55402, hereinafter Capella University.

PURPOSE

The Agreement has as its sole purpose the establishment of a relationship of mutual benefit between College of Southern Maryland and Capella University in order to make baccalaureate and graduate degree programs available to faculty, staff, and graduates of College of Southern Maryland.

This Agreement includes a course-to-course transfer agreement between College of Southern Maryland and Capella University, which is intended to allow holders of College of Southern Maryland credits to transfer approved credit hours into a Capella University program of study.

DESCRIPTION OF THE RELATIONSHIP

1. Capella University will award quarter transfer credit for approved College of Southern Maryland courses into one of the bachelor's degree programs listed below:

   Bachelor of Science in Business specializations (including all listed specializations)
   Bachelor of Science in Information Technology specializations (including all listed specializations and minors)
   Bachelor of Science in Public Safety specializations (including all listed specializations)
   Bachelor of Science in Nursing (only applicable for individuals holding a valid RN license)
   Bachelor of Science in Psychology (including all listed specializations)

   Also included in this Agreement between Capella University and College of Southern Maryland are specific degree to degree agreements based on the 2012-2013 College of Southern Maryland catalog, allowing College of Southern Maryland graduates to be awarded specific credit hours into a Capella University program of study. Because Capella is on an academic quarter calendar, Capella University will convert semester credit hours to quarter credit hours using a formula to convert one (1) semester credit hour to the equivalent of one and one half (1.5) quarter credit hours. Specific degree program Agreements between Capella University bachelor degree programs and College of Southern Maryland Associate of Arts, Associate of Science, Associate of Science in Engineering, and Associate of Applied Science degrees are listed in Appendix 1.

2. Students from College of Southern Maryland graduating in one of the listed degree programs must graduate from College of Southern Maryland with an Associate of Arts (AA), Associate of Science (AS), Associate of Science in Engineering (ASE), or Associate of Applied Science (AAS) degree and have an overall GPA of at least 2.0 on a 4.0 scale, as calculated by College of Southern Maryland.

The general education core includes study in the areas of English composition, humanities and fine arts, natural sciences and mathematics, and social and behavioral sciences.

Affiliated learners failing to officially notify Capella University until after they begin their course work will not be entitled to receive a retroactive tuition discount. Their tuition discount and participation in the benefits of the Agreement will begin the following academic quarter. In situations where a tuition discount is being provided to a learner based on their employment status as a faculty or staff member of College of Southern Maryland, Capella University will periodically verify the learner's continued employment relationship with the member institution. If it is determined that the learner is no longer a faculty or staff member, their eligibility to receive the tuition discount will cease on a go-forward basis.
