Suggested Course Sequence

- 3. Additional Provisions
 - Courses that fulfill program requirements are only eligible for transfer if students have earned a grade of "C" or better. Courses used to fulfill only general education requirements are eligible for transfer if students have earned a grade of "D" or better.
 - Students must maintain a (a 2.5) cumulative grade point average in order to transfer.
 - Stevenson participates in general education block transfer. Students entering Stevenson with an A.A., A.S., or A.A.T. degree from a Maryland community college will have met all of Stevenson's general education requirements, with the exception of a second composition course if not already taken. The attached transfer plans for applicable programs detail the coursework students would take under the block transfer program. Not all programs are eligible for block transfer.
 - Stevenson University will accept up to 70 credits from 2-year institutions. Up to 90 credits can be applied to degree requirements from a combination of 2-year institutions, 4-year institutions, and non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores). For additional information about credit transfer, please see: http://www.stevenson.edu/admissions-aid/getting-started/transfer-students/transfer-credit-evaluation/
 - For non-direct classroom instruction, an appropriate score is determined by Stevenson University, and student must submit original test scores/results to Stevenson University. Tech Prep credits will/will not transfer. Credit awarded for prior learning ("life experience") is not recognized by, and is not transferable to, Stevenson University.
 - Students intending to transfer should complete the admission application for Stevenson University following the third semester of their Associate Degree program. Students should contact the Financial Aid Office at Stevenson University as soon as possible in regard to college deadlines for financial aid. Students who have completed an associate degree at a Maryland community college are guaranteed admissions to Stevenson.
