MEMBERSHIPS ARE PERFECT FOR BRINGING YOUR IDEAS TO LIFE:

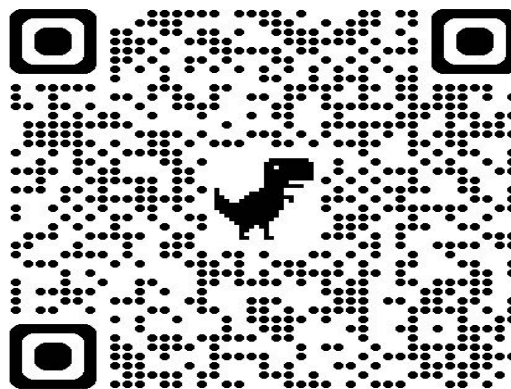

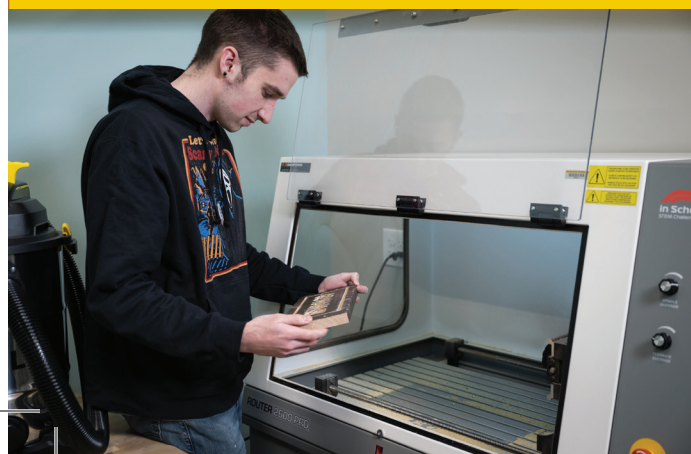

Your monthly membership provides you access to our spaces, computers, online resources, tools, and equipment, including 3D printers/scanners, a CNC router, laser cutters, electronic equipment, and other additive and subtractive machines for making.

- Create a prototype for a product
- Produce components for your artwork
- Fabricate custom parts for machinery
- Make a gift for a friend

Membership is required to access the space, tools, computers, and resources of the makerspace.

Membership is not required to take a class or participate in public events at the space.
